

1. Log into the LPS Portal (portal.lps.org) with your LPS username and password.
2. The following resources are available to Moore Middle School students through the Moore Library Website. Click on the Home Access tab at the top of the page and click on Links to open the home access page below. Resources listed below with a password will prompt you for a password. As noted, others will require entering lps credentials or logging in through the student's school Google account.
